

This image shows a document page that has been severely redacted. A large, solid black rectangle covers the central portion of the page, obscuring several lines of text. Above this redacted area, there is some faint, illegible handwriting that appears to be "100-1000000". Below the redacted area, there is a printed form with several fields. The first field contains the number "100-1000000". To its right are three small, empty rectangular boxes. Further to the right, the word "SEARCHED" is printed above a box, and the word "INDEXED" is printed above another box. To the far right of the form, the word "SERIALIZED" is printed above a final box. The entire page is covered in a grainy, high-contrast texture, characteristic of a photocopy or a scan of a physical document.

1: C13 [SALV] 2-26
